SPECIAL NOTE

Exhibits must be entered in the appropriate Open Class (optionally for Best Of Breed only) and up to 3 other classes. No exhibit may be entered in more than six classes. Exhibits may only enter Imperial or Grand classes if they have obtained their title on or before the closing date of the show.

Important notice for exhibitors

Please note that we are sharing the Stoneleigh Park venue with the Short-Haired Cat Society's show.

This means that you can enter the SHCS show as well as your breed club's show, which will give you the possibility of winning two certificates from two different judges on the same day.

Additionally, since ALL foreign assessment breeds are catered for by the joint show as well as by the SHCS, these breeds too may compete for two Merit awards on one day. And for household pets who are chasing MCs, GMCs or Imperial GMCs, they too may compete for two certificates by entering both shows.

Simply pick up a SHCS schedule and entry form, or download them from the SHCS website.

You will need to submit two separate entry forms, one for each show. Your cat will then be judged quite independently in both shows.

~ ~ ~ ~ ~

Who knows, you might even win two Best In Show awards on one day, surely an opportunity not to be missed !

SHOW RULES, PROCEDURES AND REGULATIONS

The show is held under the rules of the G.C.C.F. and is open to all. The complete rules are not printed here but will be strictly applied. Ignorance of any rule will not be accepted as an excuse for its breach. A copy of the rules may be obtained from G.C.C.F., 5 Kings Castle Business Park, The Drove, Bridgwater, TA6 4AG.

REGISTRATION

All Cats, Kittens and Neuters must be registered with the GCCF. To be effective for entry all registrations and/or transfers must have reached the GCCF Office 21 days prior to the show. Household Pets are unregistered cats of unregistered or unknown parents; no registered cat may enter classes offered for them.

SHOW ENTRY FORM

Exhibitors are responsible for the correct description of their cats and for entering them in the correct classes when completing their entry form for the Show. Exhibitors should read the declaration and must sign it. If the exhibit belongs to more than one person, each person must sign the entry form and all must be members of the various clubs to compete for the trophies that are offered. No Kitten can be entered in Adult classes unless stated for 'Adult or Kitten'.

Please remember to enclose an open stamped addressed envelope (not postcard!) with your entry. A copy of your entry as it will appear in the catalogue will be sent back to you for checking.

VETTING-IN

Exhibits will be received at the Show Hall from 0800 to 0945 on 8th January 2011. There will be NO overnight penning. All exhibits must be brought to the show in boxes, baskets or suitable containers (top-opening recommended) and must be accompanied by their owner or representative.

Each exhibit will be examined on arrival by the Club's Honorary Veterinary Surgeons. Exhibits may not be penned before this examination. Vetting-in cards will be given out on the day of the Show.

All exhibits must have coats free from pests, have clean ears & be generally in good health. Cats will not be accepted which show signs of being in kitten, nor male cats which are either monorchid or cryptorchid, nor any cat which has produced kittens within 12 weeks of the date of this show.

Any exhibit rejected by the Veterinary Surgeon must be removed by its owner(s) and entry fees are forfeited. There will be quarantine pens for rejected cats, but owners are advised to take home any unfit cat. If, in the opinion of the veterinary surgeon, it is desirable, all other exhibits from the same cattery and their owners shall be debarred from the Show. The veterinary surgeon's decision is final.

Any exhibit which shows the effect of drugs e.g. stress remedies such as Skullcap and Valerian, including sedatives for travelling, will be considered unfit for exhibition and will lead to disqualification.

Any cat or kitten disqualified by a veterinary surgeon or judge on grounds of condition must be reported by the Show Manager to the Secretary of the GCCF.

VACCINATIONS

All cats exhibited at shows held under GCCF rules must have a current certificate of vaccination against FIE, FVR and FCV(cat flu). The full course or booster must have been completed more than seven days before the show. The certificate must be available for inspection at vetting-in. Cats without acceptable certificates might be rejected. Cats showing a positive reaction to the Feline Leukaemia Virus or Feline Immunodeficiency Virus must not be shown. Please note that for the purposes of vetting-in, homeopathic vaccinations are not acceptable to the GCCF.

PENNING OF EXHIBITS

Each competitive exhibit must be provided with a white litter tray and clean, plain white blanket without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed but white Vetbed or like material may be used if preferred. A hot water bottle or heat-reflecting material may be used but must be concealed with a blanket. Judges are instructed to pass any pens which may be distinguished in any way. Exhibitors must provide white drinking bowls, which MUST be placed towards the rear of the pen. Food bowls must be removed when judging starts at 10.00am.

The use of grooming aids in the show hall, other than the use of a clean brush and comb or cloth, is prohibited. No powder or grooming substances may be left in the coats of exhibits. The use of shampoos that may change the colour of the cat's coat can lead to disqualification.

Other than official notices or award cards, no written or printed matter may be placed on competitive pens. (Exhibition pens only, may be decorated and may carry printed matter relating to the exhibit.) Exhibits must not be removed from the show hall before the show is officially closed without the Show Manager's written consent. Exhibits are received on condition that neither the Club nor the Management of the Show Hall shall be in any way responsible for loss, damage or injury to the exhibits, exhibitors or their property however it may be caused.

WITHDRAWAL FROM CAT SHOWS

The last date for the withdrawal of a cat from a show is the advertised closing date for entries at that show. After this date the cat concerned may not be removed from the show catalogue and the 13-day rule will apply. This ruling does not prevent Show Managers from returning entries after the closing date if they are unable to accept them because the show is full.

Fees will be refunded for entries withdrawn before the published closing date. Withdrawal of entry MUST be in writing.

GENERAL

Exhibitors & visitors are forbidden to remove or interfere with any exhibit other than their own.

The show closes at 5.00pm. No cat may be removed from its pen before this time. There will be no early passes. No-one may remove any exhibit from its pen except the owner or a Show Official. Penalty for contravention of this rule is £10.

COUNTERSIGNING OF CERTIFICATES

In the event of a change of judge of an Open Class occurring after the closing date of the show, and provided that the exhibitor informs the Show Manager prior to judging that a Certificate has previously been awarded by the replacement judge, the Show Manager shall appoint one other judge who shall judge the cat and, if the cat is considered worthy, countersign the Certificate which shall then count towards championship status. If the replacement judge at the first show has also been previously booked for a subsequent show, the closing date of which is before the date of the first show, then at the subsequent show this judge can be considered as a replacement judge for the purpose of requesting a countersignature.

BITING AT SHOWS

Any cat biting or inflicting injury by deliberately scratching a judge, veterinary surgeon, steward or other show official must be reported to the Show Manager. The Show Manager must withdraw the cat from the show and shall inform the owner of the cat in writing, sending a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances that information should be given to the Secretary of the GCCF for consideration by the Executive Committee. If the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rules otherwise.

The clipping of the tips of show cats' claws is considered desirable.

VETERINARY CLEARANCE CERTIFICATES

Exhibitors whose cats have been rejected at shows should note the following points :

1. When sending your clearance certification to the Veterinary Officer please include your copy of the rejection slip.
2. Please do not send this certification by recorded delivery as this can cause considerable delays in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped addressed postcard for acknowledgement of receipt.
3. Exhibitors should not attend shows until they have received a letter from the Secretary of the GCCF confirming clearance. It is recommended that this letter be taken to any shows attended within a month of the issue of the clearance letter.

JUDGES

Judges are empowered to withhold any prize or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from judges' award slips not from catalogues or award cards.

THE COMMITTEE RETAINS THE EXCLUSIVE RIGHT TO :

- a) Publish a catalogue of the show, containing information including the names and addresses of exhibitors and details of exhibits
- b) Cancel, divide and amalgamate classes
- c) Refuse to accept entries without giving a reason
- d) Fix a limit to the number of exhibits in the show
- e) Appoint other judges should those advertised be unable to fulfil their engagement, and to change judges of Miscellaneous and Club classes if necessary.

Exhibitors are responsible for checking their entry in the catalogue is correct. Any discrepancies should be reported to the show management as soon as possible on the morning of the show.

CORRESPONDENCE

All correspondence must be accompanied by a S.A.E. if a reply is required. Any complaint regarding the show must be forwarded to the Show Manager within seven days of the show.

CHAMPIONS AND PREMIERS

The title of Champion (for Cats) and Premier (for Neuters) shall be granted to exhibits winning three Challenge/Premier certificates at three shows under separate judges. A GCCF Challenge/Premier Certificate will be offered for each Cat/Neuter Open Class of recognised breeds with championship status.

CHAMPION OF CHAMPIONS AND PREMIER OF PREMIERS

The title of Grand Champion shall be granted to a Cat winning three Grand Challenge Certificates at three shows under separate judges. To compete in a Champion of Champions Class a cat must be a full Champion.

Only one prize, with a Reserve in case of disqualification, will be granted. A Champion cat may be entered in its ordinary Open Class and in the Champion of Champions class. The title of Grand Premier shall be granted to Neuters under the same rules and conditions as those for Grand Champion.

IMPERIAL GRAND CHAMPION AND IMPERIAL GRAND PREMIER

The title of Imperial Grand Champion shall be granted to a Cat winning five Imperial Grand Challenge Certificates at five shows under five different judges. To compete in the Imperial Grand Champion Class a cat must be a full Grand Champion on the date the show closes.

A Grand Champion cat may be entered in any TWO of the following classes : Imperial Grand Champion, Champion of Champions, Open Class. The title of Imperial Grand

Premier shall be granted to Neuters under the same rules and conditions as those for Imperial Grand Champion. The Imperial classes will be split Male/Female.

SPECIAL ADVICE TO EXHIBITORS

- (a) In the event of a cat being unable to attend due to illness, provided a vet's certificate is received by the Show Manager at least seven days before the Show, a refund may be made at the Show Manager's discretion.
- (b) You are advised against purchasing any shampoo that changes a cat's colour, as this can lead to disqualification.
- (c) Any alteration to your entry form must be in writing, which will be attached to the form by the Show Manager. You may also make corrections to the form up to the close of the Show.
- (d) Kittens under 14 calendar weeks may not be shown.
- (e) Any person whose cats have been rejected under Sections C or D must not officiate as a judge or steward or in any other capacity which requires the handling of cats at shows until a clearance certificate, as required by the GCCF, has been obtained.
- (f) The use of small battery-driven fans in pens can be dangerous and could also be considered a distinguishing mark.
- (g) Please note that in addition to the classes you have entered, your cat may also be handled for the purpose of assessing candidates in the GCCF Judge Appointment Scheme.
- (h) Queens who have kitted within 12 weeks of the date of the show may not be shown.
